

Equality Policy

Policy statement

Greater Manchester Moving is fully committed to a policy of treating all its employees, job applicants and volunteers fairly and in accordance with equality principles. No employee or potential employee shall receive less favourable treatment or consideration nor be unlawfully treated on the ground of race, religion or belief, sexual orientation, gender reassignment, sex, age, disability, pregnancy and maternity, marriage and civil partnerships (together known as the Protected Characteristics) or will be disadvantaged by any conditions of employment that cannot be objectively justified as necessary on legal grounds.

Greater Manchester Moving recognises that we live in a diverse society and will endeavour to ensure that all stakeholders are given the same opportunities regardless of their socio-economic backgrounds.

Greater Manchester Moving will encourage the board, partner organisations (including sponsors and suppliers) and the network of clubs and organisations that we work with, to adopt and demonstrate their commitment to the principles and practice of equality as set out in this Equality Policy.

Greater Manchester Moving will ensure that, where externally funded programmes are being delivered by partner organisations they meet the minimum standards of the Greater Manchester Moving Equality Policy.

1. Principles

- 1.1 All employees have the right to work in an environment which is free from any form of discrimination, harassment, bullying or victimisation.
- 1.2 Greater Manchester Moving will appoint, train, develop, reward and promote on the basis of merit and ability.
- 1.3 All employees have personal responsibility for the practical application of Greater Manchester Moving's equal opportunities policy with additional responsibility for implementation sitting with the designated Equality Diversity & Inclusion (EEDI) Lead and managers. This policy will particularly apply to those involved in the recruitment, selection, promotion, and training of employees.

- 1.4 It is Greater Manchester Moving's policy that the discrimination, harassment, bullying or victimisation of any of its employees is unacceptable behaviour and is regarded, if proven, as serious misconduct. Further details can be found in Greater Manchester Moving's Dignity at Work Policy. Anyone found to be in breach of this policy could be liable to disciplinary action which could result in their dismissal.
- 1.5 In the case of any doubt or concern about the application of this policy in any instance, please consult the Executive Lead for EDI in the first instance.
- 1.6 Greater Manchester Moving will keep under regular review its policy procedures and practices on equal opportunities in line with legislation and recognised good practice.

2. Scope

- 2.1 This policy applies to all employees, including those on part-time, apprentice, fixed-term and job-share contracts, as well as casual workers and agency staff.
- 2.2 All employees have personal responsibility for the practical application of Greater Manchester Moving's equal opportunities policy which extends to the treatment of job applicants, employees, volunteers, service users and visitors.
- 2.3 All employees also have a responsibility to apply good equal opportunity practices across our organisation. All employees, irrespective of their job or seniority, should familiarise themselves with this policy, and be aware of their responsibility and role in promoting equality of opportunity and not discriminating unfairly or harassing colleagues, job applicants or ex-employees, nor encouraging others to do so or tolerating such behaviour. Employees are also encouraged to challenge any unacceptable behaviour should they either witness it or experience it directly. Disciplinary action, including dismissal, may be taken against any employee found guilty of unfair discrimination, harassment and/or victimisation.
- 2.4 Employees should be aware that not only are we, as the employer, liable for any cases of discrimination or harassment that occur, but individuals also may be held personally liable for their own acts and behaviour.
- 2.5 Managers are responsible for ensuring that fair treatment of all individuals is affected within their department and/or section on a day-to-day basis, with particular reference to recruitment, selection, training and development opportunities and work allocation.
- 2.6 We will also obtain commitments from other persons or organisations such as consultants, subcontractors or agencies that they will also comply with this policy in their dealings with us and our employees.

3. Legal Requirements

- 3.1 Greater Manchester Moving is required by law not to unlawfully discriminate against its stakeholders and recognises its legal obligations under, and will abide by the requirements of, the Equality Act 2010, and any equivalent legislation (as amended) in any UK jurisdiction and any later amendments to such legislation or subsequent equality related legislation that may be relevant to Greater Manchester Moving.

- 4.1.2 Greater Manchester Moving recognises that individuals (and/or certain groups in our society who share one or more Protected Characteristics) may not have been able to participate equally and fully in sport and physical activity related activities in the past. In some instances, this may have been because of unlawful discrimination.
- 4.1.3 This policy has been produced to try and prevent and address any unlawful discrimination or other unfair treatment, whether intentional or unintentional, direct or indirect, against Stakeholders that may preclude them from participating fully in sport and physical activity related activity.

- 4.3.5 Recruitment solely or primarily by word of mouth should be avoided if its effect is or may be to prevent certain types of people from applying.
- 4.3.6 Selection tests should be specifically related to job requirements and measure the person's actual or inherent ability to do the work.
- 4.3.7 Selection tests should be reviewed regularly to ensure they remain relevant and free from any unjustifiable bias.
