Competition Format

At SGO area/Borough level, local organisers will decide on the format i.e. 'home & away' leagues, Central Venue festivals or one off tournament. Leagues are the preferred model to encourage regular participation.

Playing the Game - Serve

The server must serve from behind the end line until after contact.

The ball may be served underhand or overhand. A served ball may graze the net and drop to the other side for point.

The first game serve is determined by the toss of a coin.

A serve can be returned anyway, but not blocked. After 3 consecutive successful serves the ball is given to the opposition to rotate and serve without a point being awarded.

The server would be considered a back court player and cannot play the ball over the net from above the net whilst standing in the front court area which is in front of the badminton service line.

Playing the Game - Scoring

Rally scoring will be used - there will be a point scored on every score of the ball.

Offence will score on a defence miss or out of bounds hit.

Defence will score on an offensive miss, out of bounds hit, or serve into the net.

Points are also scored where the opposition make a foul. For example net touch, foot fault on serving, passing under the line of play at the net, double hit, carrying or lifting the ball.

Matches are one set to 25 points (two points clear) or 10-12 minute - this is flexible depending on the venue used/number of teams taking part. First to 15 is an alternative option.

Playing the Game - Rotation

Team will rotate each time they win the serve back from the opposition.

Players shall rotate in a clockwise manner.

2019 SCHOOL GAMES

Basic Violations

Stepping on or over the line on a serve.

Failure to serve the ball over the net successfully.

Hitting the ball illegally (carrying, palming, throwing).

Touches of the net with any part of the body while the ball is in play. If the ball is driven into the net with such force that it causes the net to contact an opposing player, no foul will be called, and the ball shall continue to be in play.

Failure to serve in the correct order.

Playing the Game

Team captains toss a coin with the winning captain gaining the right to decide either to: (a) serve or receive serve or (b) choose ends for the start of the first set.

A maximum of three hits per side is permitted (blocking does not count as a hit).

Double contact rule must be adhered to - a player may not hit the ball twice in succession (a block is not considered a hit).

The ball may be played off the net during a serve or open play.

A ball touching a boundary line is good.

Catching is not allowed. Contact with the ball is allowed with any part of the body.

Switching positions will be allowed after the serve only.

One 30 second timeouts per set will be allowed per team.

Rolling substitutions are permitted.

Fair Play

The ideals of good sportsmanship and respect should permeate throughout all competitive and recreational sport. They are displayed by someone who abides by the rules of a contest, respects their opponents and accepts victory or defeat graciously.
