

Didsbury Business Games Week 4 A dodgy start but nobody ducked this event

On Wednesday 7th June Waterside Hotel and Leisure Club hosted the Dodge Ball event for the Didsbury Business Games. The 9 teams battled out through group stages, nail biting semi-finals to have Waterside win an electrifying final against Parrs Wood

Once more the event saw some competitive fun with the teams giving it their all to be top team on the night while they increased the amount of money raised for the Christie to £3,476.40

Chris Hayes of the Waterside commented, 'I am glad we ordered the softest balls possible as there was a lot of commitment in some of the throws we saw last night. It was a fast paced event and you could see that some of the teams had been practicing in advance to see if they could find a bit of an edge.'

With 5 of the 7 events now completed the team from Parrs Wood still head the leader board. But with Waterside playing their Joker last night and doubling their points awarded on the evening they move into 2nd place. If you want to check out the leader board then visit www.didsburybusinessgames.co.uk/leaderboard/

The event is aiming to raise as close to 12k as possible for The Christie and in particular The Teenage and Young Adult Unit which is a specialist cancer centre for children, teens and young adults. Don't forget you can sponsor the event and help raise funds or make a donation by visiting www.didsburybusinessgames.co.uk/sponsor-an-event/

Next week the Didsbury Business Games reaches its Penultimate event with a visit to the Didsbury Sports Ground for a Softball Tournament.
