

GM SCHOOL
GAMES NETWORK

GREATER MANCHESTER SCHOOL GAMES NETWORK

WHO ARE WE?

The Greater Manchester (GM) School Games network is made up of 22 School Games Organisers (SGOs) representing each Borough in Greater Manchester. Collectively we aim to inspire children & young people to have the confidence, competence and knowledge to reach their potential to live a healthy and physically active life.

WHAT ARE WE DOING?

As a network we are working as a collaborative to help ensure our schools and communities are supported during this time. We have created a central GM SGO page [HERE](#). This will allow our schools and communities to navigate and utilise relevant resources appropriate to their current situation, in the bid to keep young people active healthy and happy.

KEEP IN TOUCH!

We would love to see how you are being active and moving at home or whilst still in school, please share your pictures or videos with us (if you have permission from parents) on Twitter, Instagram and Facebook. Use the hashtags **#GMSchoolGames** and **#KeepGMMoving** and don't forget to tag your borough (info below).
